Here's the last person we spoke with at the ADEQ. The information she provided us matched the information we found on our property search.

No, lets talk with the ADEQ rep and see if they have any suggestions on new ownership of the lots. Did you have the current ADEQ contact? I will give the a call today. Let's talk on Wednesday, say 1300?

The FedEx for (b) (6) was returned. FedEx sticker states "Recipient's address on your shipment was incorrect and/or incomplete, and we were unable to obtain the correct address."

I haven't heard anything back from the railroad or (b) (6)  
 Did you still want to head out this week?

(b) (6) called me yesterday and said he had sold the property to (b) (6) but thinks (b) (6) sold it too- We probably need to complete a deed search on the property.
